

The **Magic Kingdom Park** is by far the most-visited theme park at Walt Disney World, being home to so many classic Disney attractions such as the Haunted Mansion and Peter Pan's Flight, as well as new favorites such as The Seven Dwarfs Mine Train. With more than double the attractions of any other theme park, it's no surprise The Magic Kingdom Park has something for everyone to do from the young, to the young at heart.

Our team members at **The Park Prodigy** have found that there are three important aspects to help make the most of your time at **The Magic Kingdom**: 1) Use Fastpass+ Efficiently, "**Arrive Early**", and Stay Late! We recommend arriving 30 minutes ahead of park opening which will allow you to take advantage of lower wait times on some of the most popular attractions. This will also allow you to make most of your Fastpass+ reservations for early afternoon. This Magic Kingdom itinerary does NOT include a midday break, and it is best suited for families with older children and young teens. We recommend at least two days at the Magic Kingdom to truly take advantage of everything the park has to offer. However we understand that this doesn't always fit into the plan, so here we go!

---

**Fastpass+ Instructions** - All guests can make up to 3 Fastpass+ selections for any given day with the purchase of a Walt Disney World theme park ticket. The first three Fast Pass + selections must be within the same theme park. If the guest has a Park Hopper plus ticket they can make additional Fastpass+ selection at a second park once all of the original selections have been used.

**On Site Guests** can make Fastpass+ selections using the My Disney Experience App up to 60 Days in advance of the day their trip starts. Furthermore if you are staying offsite but are connected to the My Disney Experience App of someone staying on site you can also make selections up to 60 Days in advance.

**Off Site Guests** can make Fastpass+ Selections using the My Disney Experience App up to 30 days in advance of the day they plan to visit each park. This makes it extremely important to plan which parks you will visit on each day as you will have to sign up several days in a row to make Fastpass+ reservations.
