

HOW TO MAXIMIZE YOUR DISNEY DINING PLAN SNACK CREDITS AT WALT DISNEY WORLD

Each Disney Dining Plan offers guests 1 Snack/Nonalcoholic Drink per night of stay. We broke down the numbers to help you maximize the value of purchasing the Disney Dining Plan. The average cost of a snack at Walt Disney World is \$4.50. To get the most value, we want to select snacks that are worth \$6.28 or more for the Quick-Service Dining Plan and \$5.99 or more with the Disney Dining Plan. Below is a list of some of our favorite snacks that help add more value to your Disney Dining Plan.
